A Landmark of Dual Purpose

Rising from the redevelopment of Rajnigandha CHSL, this twin-identity development brings together I/O Tower and Residences within a single architectural statement in Oshiwara District Centre.

Sculpted with a striking facade the tower is designed to be unmistakable on the Goregaon skyline — by day a study in rhythm and light, by dusk a glowing beacon.

- Separate commercial & residential gates and lobbies
- Basement parking (commercial) · podium parking (residential)
- Terrace swimming pool, event lawn & party decks
- Mini urban farming, fruit orchards & tree groove plaza
- Passenger & fireman lifts with fire-check lobbies
- BMS / fire control room & sewage treatment plant

Two Addresses

One Perfect Balance

I/O Tower brings a focused commercial environment with boutique office floors, dedicated access and efficient floorplates—designed for businesses that value privacy, convenience and a professional address.

I/O Residences offers thoughtfully planned 1, 2 and 3 BHK homes with a private entrance, dedicated lobby and layouts designed for daylight and ventilation.Two distinct worlds, thoughtfully separated yet brought together within one landmark.
